

## **Blessed International Fellowship: Sunday Offering Guidelines**

Sunday offerings are an opportunity for Blessed family members to share their creative gifts and talents as an act of thanksgiving and praise to God.

Whether a poem, original song, or prophetic dance, we encourage each artist to spend time before the Lord co-creating with Holy Spirit to bring a gift of Love pleasing unto Him.

Toward that end, the following are several guidelines to help you. Please review them carefully.

1. Keep the presentation between 2.5 – 5 minutes long
2. Be sufficiently prepared artistically, spiritually and emotionally prior to sharing a finished piece
3. Arrive early between 12:30-12:45pm if any of the following are applicable:
  - a. set up of instruments, props or artwork is required
  - b. lyrics need to be given to the Power Point Coordinator (required for all songs so that the congregation may follow)
  - c. a CD or track needs to be given to the Power Point Coordinator
4. Wait along the side of the stage ready to share as soon as it is time (usually after worship, intercession or release of prophetic words)
5. Take less than 30 seconds to introduce the piece
6. Keep in mind that we are not “performing” but bringing a love offering of our very best to Jesus! 😊
