Getting to Angeles Crest can be tricky. Not all GPS systems accurately take you to camp. There is WiFi at camp, but there is no cell service at the camp nor is there cell service as you drive up the mountain. The address above when used in Google Maps will show you the proper location in the mountains for Angeles Crest Christian Camp. However, please note that Angeles Crest Christian Camp is not located in the city of Palmdale. We are located 30 miles in the mountains out of the city of La Canada/Flintridge. Please print out your directions before you head to camp.
